What we offer

Representation in your workplace including:

- Dealing with local issues formally or informally
- Promoting health at work
- Disciplinarys
- Grievances

Negotiating for better pay terms and conditions:

- Union members earn more on average than non-members and have better terms and conditions

Taking action to combat stress:

- **UNISON** is at the forefront of supporting members with stress related problems

Acting to expose bullying and harassment:

- If you feel you are being affected by this issue you can contact your local UNISON rep who will take up your case

Legal support:

- Your rep can help you get advice from the union's solicitor, Thompsons, on legal matters around your employment, but also for issues outside of work

Employment rights:

- Helping you with the legalities in your contract of employment and guiding you in what your employer can ask you, or not ask you, to do

Learning & Education:

- UNISON can help you get back into education and training. We also have courses to help and support members including Skills for life, Maths and English and IT courses for those new to computers and those keen to learn more.

UNISON benefits:

- Holiday's—Great deals at Croyde bay, North Devon
- Insurances including home and travel
- Great car deals through Vauxhall
- Union energy—Low prices for members
